## Employee Appreciation!

Over the past few weeks L. G. Everist, Inc. has hosted employee dinners celebrating the things that we value...

- **Tenure** - loyalty, stability, longevity
- **Family** - support, caring, trust, respect
- **Safety** - protected, secure, quality of life

Doris Loutsch signs in for the Hawarden & Akron, IA event.

We have an incredibly diverse workforce with differing talents, perspectives, life experiences and geographic locations. I believe, though, that we all have the common goal to represent LGE to the best of our abilities. I am **very** proud of our workforce and have confidence that our mutual beliefs and values will continue to make the company strong.

In this changing world where businesses come and go and people change jobs six to eight times in their careers, my goal is to continue to beat the odds and current trends by having the most engaged and plugged in workforce in the industry. Of course you have to like what you do. But beyond that, I hope you **believe** in what you do.

**Thank you ALL for bringing your best to work each day.**

~ Rob Everist

Tenemos una fuerza laboral increíblemente diversa con diferentes talentos, perspectivas, experiencias de vida y ubicaciones geográficas. Sin embargo, creo que todos tenemos el objetivo común de representar a LGE de la mejor manera posible. Estoy muy orgulloso de nuestra fuerza laboral y confío en que nuestras creencias y valores mutuos continuarán fortaleciendo a la compañía.

En este mundo cambiante donde las empresas van y vienen y las personas cambian de empleo de seis a ocho veces en sus carreras, mi objetivo es continuar superando las probabilidades y las tendencias actuales al tener la fuerza laboral más comprometida y conectada de la industria. Por supuesto que te tiene que gustar lo que haces. Pero más allá de eso, espero que creas en lo que haces.

**Thank you ALL for bringing your best to work each day.**
