### Spotlight...Scoutmasters

Jeff Pierce and Monty Creagar (Kansas City KS) are active scout leaders with Troop 387 in Overland Park KS. They attend the H. Roe Bartle Scout Reservation camp every summer and take their troop camping year round. *Thank you for your community involvement!*

# 2017 Roxsand

This has been my first full year of editing/designing the weekly Roxand. The time seems to have flown by with many events happening both professionally and personally. The L. G. Everist, Inc. Roxsand has said goodbye to many long-term friends and employees as they retired. We also had the pleasure of welcoming several new faces to the LGE family!

As LGE continues to take pride in their employees, I enjoy reading the great articles submitted weekly. My favorite part is to recognize employees and their families in the "Spotlight" section of the Roxsand. Thank you for your contributions and please continue to keep me in the loop!

Every issue of the Roxsand highlights a project, plant or activity within our LGE family. Even though the company is geographically spread out, the Roxsand helps keep us connected.

If there is one recurring theme in the Roxsand, it is **Safety**. The safety and wellbeing of our employees is always front and center. How awesome is it to work for a company that appreciates their employees so much and stresses their safety so they can go home to their families every night?

As we close out 2017 I look forward to sharing more of your stories (and pictures) in the new year.

 Jeff Pierce y Monty Creagar (Kansas City KS) son líderes activos de exploración con Troop 387 en Overland Park KS. Asisten al campamento de reserva de H. Roe Bartle Scout todos los veranos y llevan a sus tropas a acampar durante todo el año. ¡Gracias por su participación comunitaria!

# 2017 Roxsand

Este ha sido mi primer año completo de edición / diseño de Roxsand semanal. El tiempo parece haber pasado volando con muchos eventos sucediendo tanto profesionalmente y personalmente. L. G. Everist, Inc. Roxsand se despidió de muchos amigos y empleados a largo plazo cuando se jubilaron. ¡También tuvimos el placer de darle la bienvenida a varias caras nuevas a la familia LGE!

A medida que LGE continúa enorgulleciéndose de sus empleados, disfruto leyendo los excelentes artículos enviados semanalmente. Mi parte favorita es reconocer a los empleados y sus familias en la sección "Spotlight" de Roxsand. ¡Gracias por sus contribuciones y por favor continúen manteniéndome informado!

Cada edición de Roxsand destaca un proyecto, planta o actividad dentro de nuestra familia de LGE. A pesar de que la compañía está dispersa geográficamente, Roxsand nos ayuda a mantenernos conectados.

Si hay un tema recurrente en Roxsand, es Seguridad. La seguridad y el bienestar de nuestros empleados siempre está al frente y al centro. ¿Qué tan maravilloso es trabajar para una empresa que aprecia tanto a sus empleados y acentúa su seguridad para que puedan ir a casa con sus familias todas las noches?

Cuando finalice el 2017, espero compartir más de sus historias (e imágenes) en el nuevo año.
