Spotlight...Sioux Falls Jazz Society

The Sioux Falls Jazz Society was founded in 1987. Did you know, our very own Kevin Rovang (LGE's HR Manager) is now in his 2nd year as President?

Each year, the society touches over 125,000 music fans and holds events that include:

- Jazz Camp
- Jazz Diversity Project
- All City Jazz Ensemble
- Annual Concert Series
- JazzFest

RETIREMENT

~ Mark Bowden ~

Join me in congratulating Mark Bowden on his retirement on March 9, 2018! Mark joined Team LGE in 1979 at the North Pit in Hawarden, IA.; operating machinery, testing materials, and scaling trucks. He transferred to the Track 6 yard in Sioux City, IA as manager early in the spring of 1990.

Mark recounts his pickup broke down half way between Hawarden and Sioux City on his first day of work in Sioux City, making him late. He recovered strongly in the years following; Leading a crew to unload, reload, scale, and ticket nearly 16 million tons of rock, which is 170,000 carloads, and 800,000 trucks over the scale. I teased him a bit about the stats and 39 years of service to which he replied "That's the job we had to do. I'm most proud we did it without a serious injury".

Post retirement plans for Mark include surf board building, painting, artwork shows, family, and not concerning himself with stockpile inventories.

Thank you, Mark! ~Scott VanDenTop, Sioux Falls

As Mark has said many times...
"This is the best job I've ever had."

JUBILACIÓN

~ Mark Bowden ~

¡Únete a mí para felicitar a Mark Bowden por su retiro el 9 de marzo de 2018! Mark se unió al Equipo LGE en 1979 en North Pit en Hawarden, IA; operar maquinaria, probar materiales y escalar camiones. Se transfirió al astillero de Track 6 en Sioux City, Iowa, como gerente a principios de la primavera de 1990.

Mark recuerda que su camioneta se rompió a mitad de camino entre Hawarden y Sioux City en su primer día de trabajo en Sioux City, lo que lo retrasó. Se recuperó fuertemente en los años siguientes; Liderando a un equipo para descargar, recargar, escalar y comprar casi 16 millones de toneladas de rocas, lo que equivale a 170,000 cargas de automóviles y 800,000 camiones a lo largo de la escala. Le hice bromas un poco sobre las estadísticas y los 39 años de servicio a lo que respondió: "Ese es el trabajo que teníamos que hacer. Estoy muy orgulloso de haberlo hecho sin una lesión grave".

Los planes posteriores a la jubilación para Mark incluyen la construcción de tablas de surf, pintura, espectáculos de arte, familia y no se preocupa por los inventarios de existencias.

Thank you, Mark! ~Scott VanDenTop, Sioux Falls

Como Mark ha dicho muchas veces ...
"Este es el mejor trabajo que he tenido".
