Spotlight...Stress Relief
Mid-summer's heat and fast-paced production demands can leave us all a little wound-up. We now have LGE Stress Relieving Rocks. Let us know if you'd like one.

Years of Experience!

Our Hawarden, Iowa location follows the L. G. Everist, Inc. tradition of valued, long-term employees. With 152 years of combined service and counting, these guys know their jobs.

Back row: (left to right) Martin Bohlke, Sand Plant Operator 23 years, Randy Klaus, Loader Operator 27 years, Dick Liston, Field Loader 25 years.

Front row: Russ Ruhland, Area Manager 41 years, Joe Smith, Crane Operator/Jack-of-all-trades 41 years.

While these gentlemen have seen many a ton over the head pulley, they cannot do it by themselves. The Hawarden team also consists of Jim Thompson, Lyle Kaskie, Jose Mendez, Kevin Essington, Rich Henke, Erica Smith, David Topete, Doris Loutsch, Dan Beach, Josh Otten and Jared Otten.

Each and every team member plays an integral part in the daily operation of the Hawarden Sand and Gravel Plant, Cement Terminal and/or both. Proud to be a part of this team a.k.a family. ~*Russ Ruhland, Hawarden*

Fun Fact: While we are recognizing years of service at Hawarden, we should give a shout out to the Manitowoc 4600 Drag Line. Still going strong after 57 years!
