We Deliver Solutions!

20th Anniversary

Today we celebrate 20 years of ARCFabricators! To mark the occasion, we cleaned up the shop and invited our customers and friends for an open house and lunch. We have achieved positive growth through an unwavering commitment to quality and service. Every LGE plant has something built or repaired at ARC. Most recently the new primary structure in Ortonville, MN and the surge tunnel in Larabee, IA.

Rick Hewitt, GM, has his fingerprints on everything as he is one of the original employees. The other founding member is Debbie Kooistra Moeller. Debbie's title is Office Manager but she also serves as Denmother and lion tamer when necessary.

When we acquired Tanksley Enterprises, Inc. in 1997 the shop employed 4 welders (including Rick) and Deb in the office. We added 5,000 sq ft of shop in 2004 and have steadily grown the work force to 19 strong. I am proud of our shop and the ability to respond to any project for LGE, our co-owners, Malloy Electric and Concrete Materials and our many other loyal customers. Please join me in congratulating the ARCFab team on their first 20 years and wish them well as we build into the future.

~Rob Everist

Happy Birthday!

- Erik Whitman-Welder/Fabricator
- Nolan Twaddle-Welder/Fabricator
- Vic Hempfling- Welder/Fabricator

- Carlyle Hartleib-Welder/Fabricator
- Tim Caffery-Welder/Fabricator
- Matthew Bartels-Welder/Fabricator
- Brian Bruns-Plasma/Shear/Brake Operator
- Danny Anderson-Plasma/Shear/Brake Operator
- Mark Muchow-Shear/Brake Operator
- Jason Boersma-Blaster/Painter
- Charles Young-Blaster/Painter
- Jeremy Edberg-Blaster/Painter

Yvo Bunkers
1928-2017
Longtime employee and superintendent of the Brookings Plant passed away last week. Yvo was a gentle and compassionate man, loved by all who knew him.

The Bunker's family name has deep roots in the Dells Area and is a big part of the LGE family.

We Deliver Solutions!

20th Anniversary

Hoy Celebramos 20 años de ARCFabricators! Para marcar la ocasión, limpiaron la tienda e invitamos a nuestros clientes y amigos a una casa abierta y almuerzo. Hemos logrado un crecimiento positivo a través de un compromiso inquebrantable con la calidad y el servicio. Cada planta de LGE tiene algo construido o reparado en ARC. Más recientemente, la nueva estructura primaria en Ortonville, MN y el túnel de expansión en Larabee, IA.

Rick Hewitt, GM, tiene sus huellas dactilares en todo, ya que es uno de los empleados originales. El otro miembro fundador es Debbie Kooistra Moeller. El título de Debbie es Gerente de Oficina pero ella también sirve Denmother y domesticador de león cuando es necesario.

Cuando adquirimos Tanksley Enterprises, Inc. en 1997 la tienda empleó a 4 soldadores (incluyendo a Rick) y Deb en la oficina. Agregamos 5.000 pies cuadrados de tienda en 2004 y han ido creciendo la fuerza de trabajo a 19 fuertes. Estoy orgulloso de nuestra tienda y la capacidad de responder a cualquier proyecto de LGE, nuestros copropietarios, Malloy Electric y Concrete Materials y nuestros muchos otros clientes leales. Por favor únase a mí para felicitar al equipo de ARCFab en sus primeros 20 años y les deseo lo mejor a medida que construimos en el futuro. ~Rob Everist

Yvo Bunkers
1928-2017

Un empleado de larga data y superintendente de la Brookings Plant falleció la semana pasada. Yvo era un hombre apacible y compasionista, amado por todos los que lo conocian. El apellido del Bunker tiene raíces profundas en el área de Dells y es una gran parte de la familia de LGE.
