## South Dakota

### Sales Representative – Sioux Falls, SD:

L. G. Everist, Inc., a leader in construction materials and transportation services, is seeking a Sales Representative to join its Sales team in Sioux Falls, SD. Responsibilities include: sales and marketing of products for the construction industry, monitoring market conditions and developing plans to enhance company position within those markets, maintaining a thorough understanding of material specifications for several states, and managing existing business relationships. Qualified candidates will have excellent verbal and written communication skills, the ability to develop strong relationships with customers, strong math and computer skills. Previous experience in the aggregate industry would be beneficial but is not required.

### Project Engineer – Midwest Division/Sioux Falls, SD:

L. G. Everist, Inc., is seeking a Project Engineer for our Midwest Division.

**Primary Responsibilities:** Gathers all information and conducts appropriate discussion with project sponsors and users. Establishes cost estimates and budgets for projects. Insures MSHA and OSHA guidelines are incorporated into project designs. Establishes project schedule and coordinates resources both internally and externally. Monitors critical completion steps, material and component deliveries. Coordinates and manages subcontractors and fabricators and inspects their work against specifications and drawings. Prepares detailed drawings and specifications. Identify, specify, design, and approve all project modifications. Perform post-project reviews comparing budget and performance against project specifications.

**Position Qualifications:** Bachelor's degree in Civil, Mechanical, or Mining engineering. Preference will be given to those with Professional Engineer (P.E.) certification. Minimum of ten years of professional experience preferably in the mining or construction industry. Exceptional written and verbal communication skills. Ability to effectively interact with all levels within the company. Strong organizational, analytical, and decision-making skills.

### Mechanic – Dell Rapids, SD:

L. G. Everist, Inc. is looking for a Mechanic in our Dell Rapids location. This position requires at least 3 year experience with heavy construction equipment. Mine experience is helpful, but not required.

### Equipment Operators/General Laborers – Dell Rapids, SD:

L. G. Everist, Inc. is seeking an experienced heavy construction equipment operator and Labors for their Dell Rapids location. Prior mine experience is helpful, but not required. Position requires a valid driver's license and a pre-employment drug screen.

## Colorado

### Equipment Operators & Laborers:

L. G. Everist, Inc. has immediate openings for full time Equipment Operators & Laborers at several of our locations in Colorado which include Longmont and Ft. Lupton. Previous experience is helpful, but not required.

### Transload Laborers – Commerce City CO:
