

# Construction Aggregates

• Quartzite • Granite • Sand and Gravel

**L.G. EVERIST, INC.**

- Construction Aggregates
- Transload / Bulk Services
- Cut Stone / Dimensional Stone
- Industrial Stone
- Decorative Stone
- Rail Services
- Water Storage

*SAFE RELIABLE PRODUCTIVE*

*We Deliver Solutions!*

Using the right kind of material for heavy construction has never been more important. The key components for highway paving have always been clean and durable stone and sand. The specifications for these materials continues to emphasize life-cycle costs and quality. We are a quality-driven production company, and we specialize in demanding specifications.

## Core Construction Aggregates Available

- Concrete
- Asphalt
- Chip Seal
- Erosion Control
- Deco
- Base Products
- Specialty Sands

All of our plants have certified quality control staff on-site, they insuring that the “last ton” is the same as the first ton, regardless of the size of the order.

Let our team help you with the best aggregate solutions:

- **Grading (coarse and fine) • Particle Shape • Density • Absorption • Resistance to Freeze/Thaw**
- **Abrasion • Shrinkage • Handling and Storage**
